Now Thank We All Our God

1. Now thank we all our God With heart and hands and voices,
Who wondrous things hath done, In whom His world rejoices;
Who, from our mother's arms, Hath blessed us on our way
With countless gifts of love, And still is ours today.
2. O may this bounteous God, Through all our life be near us,
With ever joyful hearts And blessed peace to cheer us;
And keep us in His Grace, And guide us when perplexed,
And free us from all ills In this world and the next.
3. All praise and thanks to God, The Father now be given,
The Son, and Him who reigns With them in highest heaven,
The one eternal God, Whom earth and heaven adore;
For thus it was, is now, And shall be evermore. Amen.

Alma Mater

Dear Alma Mater, smile upon thy children,
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Dear Alma Mater, tenderly thy children,
Gather and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail, Alma Mater dear!
